A Word About Our Process

To be fair, and to protect against stuffing the ballot box – we allow only one ballot per SWCDP household, although, your household will get to pick 3 fav costumes. If you have others in your household – review photos together, cast ballot according to your household majority selections. Non-member households may not vote.

We cropped out humans in costume contest photos so that votes are cast based on dog and costume with no other influencers but allowed humans in the Just for Fun shots. After the winners are selected, we will include family shots of our costume contestants in the Event Summary to be posted in our website photo gallery.

Voting Directions

We know from past events – it's hard to pick just one – so we allow voters to make three selections for the **Costume Contest** (1-49). Who should get 1st Place, who should get 2nd Place, who should get 3rd Place?

Be sure to view every costume entry before you make your decisions – they are very special from start to finish. Before going to ballot link to cast your votes – enjoy the **Just For Fun** category (50-84) – and pick your favorite here, too.

Voting Open Until **December 10** – Cast Your Ballot Today!

A Big Thank You To Our Photographers!

Thanks to Erin Reinert and Mike Smith, SWCDP members who donated the entire day to taking photos at our Photo Booth.

Great job!

Special thanks to Arya and Jon Snow for donating their humans for the day – the pups stayed home for the good of our event so that their humans could take lots of great photos for us.
