### Junior Needs A Ride

Can you help?

See Details **Page 3**

### SWCDP Member in need of help . . .

Junior, a two year old Beagle, is mighty bored and missing his friends and visits to the dog park. His human, Terese, is undergoing multi rounds of chemotherapy – and not able to come to the dog park. Terese lives solo – and would deeply appreciate it – if any of our members could bring Junior to the dog park.

Junior lives on Robert Avenue (63109), very close to Willmore Park – not far from Hampton, Jameison, Loughborough main streets. The ideal situation would be for several people to take turns and create a rotating schedule, perhaps in the mornings – or whatever you can work out with Terese.

Feel free to contact Terese directly – as she is keeping Juniors' social calendar for him. Cell Phone: **314-304-0293** Email: [tereseerdelen@hotmail.com](mailto:tereseerdelen@hotmail.com)
